

Inclusive Growth Dialogue Series

10am – 2pm
OCT 5, 2023
COQUITLAM

Join us for this important dialogue on inclusive employment for neurodiverse people and persons with with disabilities, hosted by the Canadian Chamber of Commerce in partnership with the Tri-Cities Chamber of Commerce.

The Inclusive Growth national event series aims to mobilize the knowledge and resources of the Chamber Network to be a strong agent for change. As the largest business association in Canada, and with the grassroots strength of over 400 chambers of commerce and boards of trade across Canada, we want to empower our Network to influence policy and government decisions and programs, to share and amplify member expertise and to leverage tools to support the business community in taking action.
